Experience

Xebo.ai (*Software Engineer*)

May 2024 - Present

- Resolved 150+ critical bugs across frontend and backend, enhancing stability and ensuring a seamless user experience.
- Built 15+ scalable features, including a feature-rich Qualitics data migration, Zoho Desk integration and CS admin panel.
- Added DOCX/PDF survey downloads, dynamic contact directory, and 3 question types to improve product functionality.
- Worked across microservices and multiple frontend/backend repos to deliver clean, modular, and reusable components.
- Led client calls and communications, resolving issues for 4+ clients and significantly boosting their satisfaction and loyalty.
- Performed testing across key user flows to identify edge cases, verify bug fixes, and ensure correctness before release.
- Handled back merge PRs and deployments PRs, ensured smooth production, and provided custom CSS support to clients.

AICAN Private Limited (*Web Developer Intern*)

Sept 2023 - Mar 2024

- Orchestrated careful tracking of machine workflow, worker, and raw material records, realizing a 20% efficiency boost.
- Innovatively refined the UI design using elevating and customizing modules, attendance, purchase orders, and work orders.
- Crafted to strategically enhance workflow efficiency, culminating in a notable 15% uptick in overall productivity gains.

Education

Bachelor of Technology

Indian Institute of Information Technology Tiruchirappalli

(CGPA 8/10)

(2020 - 2024)

Projects

[Projects Link](#)

HomeVista: Streamlined Property Management Solution (*Skills: MERN, Tailwind CSS, JWT, Firebase*)

[Visit](#)

- Enabled image upload, edit, and delete functions, empowering users with enhanced control and experience management
- Developed flexible search functionality with customizable filters, enabling effortless property browsing experiences.
- Implemented robust user authentication, ensuring seamless and secure access to all HomeHub's features for users.

MoneyMind: Simplified Financial Tracking (*Skills: MERN, Styled-components*)

[Visit](#)

- Personal website for financial tracking, facilitating users with 5+ features for income, expense, and savings management.
- User-friendly features enable seamless goal setting, provide insightful reporting, and boost financial productivity for users.
- Successfully achieved 25% reduction in financial organization time, resulting in a 15% increase in overall productivity.

AskTask: Help Within Reach (*Skill: MERN, CSS*)

[Visit](#)

- Under guidance of seniors, empower campus communities with a secure platform, enhancing knowledge access by 30%.
- Worked on the designing, setting up the project, back end routes, model, database connection, contact system, deployment.
- Facilitating a seamless transition between offline and online interactions, resulting in 20% enhancement in engagement.

Technical Skills

Languages: JavaScript, TypeScript, C, C++, Python

Libraries/Tools: Next.js, React.js, Express.js, Node.js, MongoDB, Firebase, Docker, Apache Kafka, CI/CD (GitHub Actions), Redux Toolkit, HTML5, CSS3, Django (Beginner), UI/UX Design, Git, GitHub, Postman, Tailwind CSS, Vite, Material-UI (MUI), Netlify, Bootstrap, Figma

Database: MySQL, MongoDB

Relevant Course: Data Structures and Algorithms, Database Management Systems, Operating Systems, Computer Networks, System Design

Achievements and Extra Activities

- Solved **450+** problems on LeetCode, demonstrating proficiency in algorithms and data structures. Attained a 5-star in Cpp and 4 star rating in SQL on HackerRank, showcasing database management and programming language skills.
- During IIIT Fests, excelled with **1st position** in poster making, secured the **2nd position** in Hackathon and pitch your startup events, excelled with the **2nd position** in English debate, and proudly served as the **Runner-up** in Volleyball.
- Built E-Cell website, Contributed to Volleyball, Literature, and Web Dev Clubs, highlighting versatility.
- Championed the E-CELL initiative at IIIT, engaging 150+ students and orchestrating 3+ entrepreneurship events.
- Pioneered a offline college Counseling Center and YouTube channel [Gyan Dhara](#) with **1.8K** subscribers and **100+** videos.
- Achieved **Rajay Puraskar** and selected for **Rashtrapati Puraskar**, the highest Scout award. Earned **Gold Medal** at Kendriya Vidyalaya Jharoda Kalan's National Sports Meet, representing the school at School Games Federation of India.
